

*Clinical and Experimental*  
**RHEUMATOLOGY**  
*Via Santa Maria 31, 56126 Pisa, Italy*

**9<sup>th</sup> EULAR Scientifically Endorsed Course on  
Systemic Lupus Erythematosus**  
*Pisa, Italy - 12-17 May 2019*

***Scientific programme***

**Sunday, May 12, 2019**

Arrival and registration of the participants

S. Bombardieri Course presentation  
M. Mosca ERN: a new frontier for rare and complex diseases

*Patients perspective*

A. Canzona Welcome address  
J. Andersen A difficult journey: living with lupus  
A. Cornet Key learning from Lupus Europe Patient panels  
  
M. Cutolo Diet and rheumatic diseases: the importance of the  
Mediterranean diet

***Welcome reception and dinner***

**Monday, May 13, 2019**

***Morning***

*Pathogenesis and therapeutic targets of SLE*

M. Pickering The role of complement in the pathogenesis of SLE  
R. Voll B cells in SLE  
P. Migliorini Pathogenetic antibodies in SLE

***Coffee break***

A. Doria Pathogenesis and new therapies in SLE  
I.N. Bruce Disease activity indexes in SLE: use in clinical trials  
and clinical practice

***Afternoon***

*Kidney involvement*

M. Tektonidou Epidemiology and outcomes in lupus nephritis  
G. Moroni Clinical features and biomarkers  
F. Houssiau Therapeutic algorithms in lupus nephritis

***Coffee break***

Clinical case discussion

*Clinical and Experimental*  
**RHEUMATOLOGY**  
*Via Santa Maria 31, 56126 Pisa, Italy*

**Tuesday, May 14, 2019**

***Morning***

*Highlights of SLE treatment*

- |                   |   |
|-------------------|---|
| G. Ruiz-Irastorza | New perspectives for old drugs: corticosteroids         |
| N. Costedoat      | New perspectives for old drugs: antimalarials           |
| C. Tani           | New perspectives for old drugs: immunosuppressive drugs |

***Coffee break***

- |              |  |
|--------------|--|
| T. Alexander | Resetting the immune system with immunoablation and autologous haematopoietic stem cell transplantation in autoimmune diseases |
| L. Arnaud    | Drug-induced SLE   |
| A.E. Voskuyl | Treat-to-target in SLE   |

***Afternoon***

*Skin involvement*

- |          |  |
|----------|--|
| A. Kuhn  | Overview of cutaneous manifestations in SLE  |
| V. Werth | Treatment of cutaneous manifestations in SLE |

**Case Study Workshop**

- |             |   |
|-------------|---|
| E. Elefante | Management of cutaneous manifestations in clinical practice |
| V. Smith    | Microcirculation in SLE                                     |

**Wednesday, May 15, 2019**

***Morning***

- |              |                                  |
|--------------|----------------------------------|
| Y. Shoenfeld | The environment and autoimmunity |
|--------------|----------------------------------|

*Pregnancy and SLE*

- |             |  |
|-------------|--|
| A. Tincani  | Contraception, prevention of infertility and hormonal therapy in SLE |
| M. Ostensen | Drug therapy and toxicity in pregnancy and lactation                 |

***Coffee break***

- |                 |  |
|-----------------|--|
| R. Fischer-Betz | Outcome of pregnancy in patients with SLE and APS                |
| F. Strigini     | Pregnancy and rheumatic diseases: the obstetrician point of view |

*Clinical and Experimental*  
**RHEUMATOLOGY**  
*Via Santa Maria 31, 56126 Pisa, Italy*

**Case Study Workshop**

L. Andreoli      Management of contraception and pregnancy in clinical practice  
Clinical case discussion

**Afternoon: FREE**

**Thursday, May 16, 2019**

***Morning***

*Assessment of SLE in clinical trials and routine clinical practice*

M. Aringer      The new SLE classification criteria  
M. Schneider    Patient reported outcomes and communication gaps in SLE  
M. Mosca        Low disease activity and remission in SLE: where are we?

***Coffee break***

A. Fanouriakis    EULAR recommendations for SLE management: an update

Clinical case discussion

***Afternoon***

***CNS involvement***

P.L. Meroni      Pathogenesis of CNS involvement in SLE  
M. Govoni        The picture of neuropsychiatric lupus  
G. Bertias        Treatment of NPSLE

***Coffee break***

**Case Study Workshop**

A. Bortoluzzi    Differential diagnosis and management of neuropsychiatric lupus: from eular recommendations to real life

Clinical case discussion

**Friday, May 17, 2019**

**Morning**

*SLE and other conditions*

F. Conti        Comorbidities and damage in SLE  
A. Goules        SLE and Sjogren's syndrome  
C. Tani         SLE and rheumatoid arthritis

*Tel.: 050-40124; Fax: 050-502299; e-mail: meetings@clinexprheumatol.org*

*Clinical and Experimental*  
**RHEUMATOLOGY**  
*Via Santa Maria 31, 56126 Pisa, Italy*

*Coffee break*

R. Cervera      SLE and antiphospholipid syndrome  
G. Orsolini     Osteoporosis: management in patients with SLE

Course conclusions  
CME credits and departure of the participants
